About Me

Computer Engineering undergraduate specializing in the intersection of cybersecurity and machine learning. Demonstrated ability to build practical defense tools, highlighted by an AI-powered SOC threat prioritization engine that achieved a 30-40% reduction in false positives. Actively exploring cybersecurity and SOC operations to expand my practical expertise in threat mitigation and system security.

Education

NMIMS Mukesh Patel School of Technology Management B.Tech in Computer Engineering	2023 – 2027
Alpha Junior College of Science HSC in PCM — 68.33%	2020 – 2022

Technical Skills

Languages & Databases: Python, C, C++, Java, JavaScript, SQL, MySQL, PostgreSQL
Frameworks & Libraries: Angular.js, Node.js, Express.js, Pandas, NumPy, Flask
Web Technologies: HTML, CSS, REST APIs
Core CS: Data Structures & Algorithms, OOPs, DBMS, OS, Computer Networks
Developer Tools: Git, GitHub, Postman

Experience

Sampoorna Shiksha, Navi Mumbai Student Volunteer	Jun 2023 – Aug 2023
--	---------------------

- Managed social media channels, creating content to drive engagement and visibility.
- Tutored students remotely via the “English On Call” program.
- Supported educational outreach through digital advocacy and mentorship.

Projects

Automated Threat Prioritization Engine — Python, ML, Cybersecurity	Dec 2025 – Present
• AI-driven system to prioritize SOC alerts using ML classification. • Feature pipelines, evaluation workflows, and explainable outputs.	
StegoVault(Image Steganography Tool) — Python, React, Cybersecurity	Jan 2026 - Apr 2026
• Comprehensive full-stack application to securely conceal data payloads within text, images, and GIFs. • Multi-format steganographic pipelines (LSB, EOF, Zero-Width) and integrated Playfair Cipher encryption workflows.	
Wanderlust — MERN Stack	July 2024
• Full-stack travel blog platform with authentication and CRUD features. • Cloud deployment and Git-based collaboration workflows.	

Extra-Curriculars and Achievements

- Ranked Top 600 among 25,000 participants — Eureka! 2024 (IIT Bombay).
- Participated in 2 inter-collegiate hackathons, collaborating on problem-solving and rapid prototyping.
- Campus Ambassador — Entrepreneurship Cell, IIT Bombay.
